

# CAPT R.W. KENNEDY U.S. NAVY

Captain Kennedy confers with his predecessor, Captain J. J. McNally, at the change of command.

## COMMANDING OFFICER

Captain Kennedy touches the flight deck to clear an **AV-8A** Harrier for take-off during carrier qualifications in Spring, 1977.

Captain Ronald W. Kennedy, USN, a native of Long Beach CA, assumed command of the **USS INCHON** in June, 1976 at the Norfolk Naval Shipyard. Captain Kennedy had previously served with various anti-submarine squadrons and air group staffs and has served a number of tours in Washington in strategic plans divisions of OPNAV. Prior to coming to **INCHON**, Captain Kennedy commanded the **USS PAUL REVERE**.
